

B Herrin

Nov. 10, 1889- Jan. 10, 1890

This infant was the son or daughter of Mary Bede Dyer (1871-1947) and Francis Marian Herrin (1864-1939). Both parents lived and died at Silver Point in Dekalb County.

The Herrin family was a large one, probably the size that people of today believe was typical of the time. There were 10 sons and 6 daughters.

The sons were: Walter Smith, Ward, Ward Davis, Warren Frank, Wade Lewis, another Wade, Toy, Foy, and William.

The daughters were: Millie, Molly Luvania, Armanda, Matilda Armanda, Katherine, and Hallie.

Perhaps this stone was a monument to one of these children, or possibly another we do not know about.
