

Elmer Cantrell

Probably a son of John Bethel Cantrell (1846-1878) and Virginia (Atnip) Cantrell (1851-1912) since he was buried beside them at Helen F Conger Cemetery.

There is no proof of this, however. There are no birth or death dates or census records to rely on.

He was disinterred from Helen Conger Cemetery and relocated at Mt Holly Cemetery. Noone was present at the disinterment.
