A Plat of Perry County, Tenn.

Note - The map is drawn with south at the top of the page.

State of Tennessee. I, Isaac M. Hardy, his principal surveyor, with Perry County, do hereby certify, that I have actually surveyed the east side of the Landers River, herein described, and that the above is a fair and accurate plat, to that it contains 557 acres.

And further I certify that the territory petitioned to be attached by the City of Maryville as laid down on the above plat contains 85 square miles. Given under my hand this 29th day of September 1845.

Isaac M. Hardy, P. S. 70

State of Tennessee, I, William H. Brown, his principal surveyor of Perry County, do hereby certify, that I have actually surveyed the west side of the Landers River and that the above is a fair and accurate plat of that it is just and true containing 368 square miles. Given under my hand this 29th day of September 1845.

William H. Brown, P. S. 70
