The Honorable

The Senate

and House of Representatives

now in Session at Knoxville

Your petitioners in the County of
 Montgomery humbly sheweth, that whereas
 there are a great number of the Citizens
 of the State of Tennessee and Others
 beside your petitioners who now has their
 Claims filed in the Commissioners office in
 Nashville for Judication the time
 having elapsed which was allowed by
 Law puts it out of their power to
 obtain proper vouchers until it is too late
 your petitioners also thinks it a
 grievance that the law requires the
 Testimony of the Original Grantee Surveyors
 and Chain Carriers who in many instan-
 ces are living in the Extreme part of the
 Country (You might say of the United
 States in some cases) whose Claims can
 be established without them, therefore
 your petitioners prays that in your
 wisdom you will for the relief of

honest Citizens in such Situations that
you will take it into consideration
before the Close of the Session and
grant longer time otherwise there
are numbers of honest Citizens having
Just Claims will be materially injured
and your petitioners are ever bound
to pray —
