

To the Honorable the General Assembly of  
the State of Tennessee

The Petition of James

and Smith of Montgomery County respectfully  
represents

That your petitioner is Owner of a Ferry  
on Red River about One and a half miles from  
Clarksville on the road leading to Kentucky Cato

That he has been strongly solicited by  
of the Citizens of Clarksville and Montgomery County  
to build a Toll Bridge over the said River at  
or near his Ferry and that there is no doubt

but that the erection of a Bridge at said  
place would be a great convenience and  
advantage to the Citizens of Clarksville a great

part of Montgomery County and to Travellers

Your petitioner

therefore prays that a law may pass authorizing  
him to build a Bridge over the said River at  
or near his Ferry - to be so constructed as not  
to obstruct the Passage of Boats - and to receive  
a Toll not exceeding the Rate of Forage on  
said River

James Smith

All whose names are herewith subscribed  
are of Opinion that the granting the prayer  
of the within petition would be attended with  
the advantages therein set forth & would be  
productive of no public or private injury
