

Counter Plot

We the undersigned pray your Honorable Body to hear our prayer as a goodly
 number of your Memorialists have signed the ~~above~~ Memorial did hope that our
 Grievances would be relieved. But your petitioners found on farther information
 that instead of relief that they would be greatly Injured in fixing the
 seat of Justice on the South side of Cumberland River, now as your
 petitioners wish to act reciprocally in placing the seat of Justice at
 New York Montgomery County. we are in hopes from the Providence that
 will accompany this petition that your Honorable Body will grant us
 a County fixing the seat of Justice at the above place for a great number
 of your petitioners now reside at least 4 or 15 Miles from the same -
 we your humble petitioners do pray that unless your Honorable Body
 will grant our request in fixing the seat of Justice that your Honorable
 Body will do nothing in granting the aforesaid County - we your humble
 petitioners will say and most honestly think that notwithstanding of the former
 petitioners would be relieved from the Grievances that they now labour under
 in attending their present seats of Justice - and to put the seat of Justice

on the south side of Cumberland River would make our grievances much
more hard for honest Citizens to bear. and further your humble
petitioners pray not
