

20-1-1803-1

The honorable the General Assembly  
of the State of Tennessee, Session 1803

The petition of the inhabitants in the  
Western end of Montgomery County humbly  
sheweth that from the Court house in  
the Town of Clarksville to the Western  
extreme of the County is from fifty to  
Sixty miles, therefore it is very uncon-  
venient & oppressive to your petitioners  
to attend Courts, &c. and that the situ-  
ation of the aforesaid Court house is con-  
trary for a constitutional County —

Your petitioners earnestly solicit your  
honorable body to take this peculiar  
hard case into consideration and grant  
them relief, by circumscribing Montgomery  
to the constitutional limits, and creating  
the Western part thereof into a new and  
distinct County, and your petitioners as  
in duty bound will ever feel the highest  
impressions of gratitude —
