September 15, 2012 Meeting—Rachel Killebrew

Rachel Elkins Killebrew, retired designer of aerospace and aviation computer software for NASA, IBM, TWA, and AEDC, gave an interesting three-part presentation on (1) Smartt-Savage-Elkins genealogy (2) Civil War Trails in Tennessee and Warren County, and (3) Saving the “Blue” building, constructed in 1839 and included on the list of most endangered historic buildings. Lively discussion and questions followed her presentation

Scrapbooking.

Due to the large number of pictures and newspaper clippings that WCGA has accumulated over the years, the Board of Directors decided that it would be best if these artifacts of our group’s history were preserved in a scrapbook or album of some kind. If anyone who is interested in scrapbooking or putting an album together using these photos/newspaper clippings, contact Jean Hobbs at jeanhobbs@blomand.net. Also, contact Jean Hobbs if you have any photos or newspaper clippings of past WCGA events or members that you would like to donate to the group,

Pictures of Past Presidents

The WCGA officers are wanting to put pictures of past WCGA presidents on the wall of the office on Locust Street. If anyone has any pictures of our past presidents, please email Brandi Barnes at bcbarnes21@students.tntech.edu or leave a message on the WCGA Facebook page. Photos that is either an 8x10 or large enough that it can be enlarged to an 8x10 without appearing blurry are needed.. We are hoping to make each picture an 8x10 copy so they can be framed and put on the wall.

WCGA welcomes anyone interested in their family history to come by the office on Fridays where members will greet newcomers from 1pm to 4pm. The WCGA office is located on 201 Locust Street at the rear entrance of the Warren Co. Administrative Office.

1940 Census Is Here!!

The 1940 US Census is now available to view online for FREE on Ancestry.com! These records are not indexed, however, so in order to see your ancestor's name, you have to know which district or township they lived in (i.e. Morrison, Campaign area,

outside Viola, etc). Here is a link to the site's 1940 census database!
