Our Mission

"The mission of the Association is to increase public interest in and raise the standards of genealogical research through education programs, workshops and publications, and to promote the collection and preservation of manuscripts, documents and other material of genealogical and historical value."

Why join the WCGA?

As a member you will automatically receive semiannually the Bulletin of WCGA, of which we are justifiably proud. A monthly newsletter is sent to all members who provide their email addresses. We will send occasional mailings as well, including reminders of dues (after the 1 January due date), and miscellaneous announcements.

WCGA BULLETIN

The Bulletin is available for any article, record, photograph, genealogy or material relating to Warren County, Tennessee. Correspondence of any type that requires a reply should always contain a self-addressed, stamped envelope (SASE), except e-mail. Do Not send originals unless they are being donated to the association, as we are unable to return any materials. Items may also be submitted electronically to our Bulletin Editor Chris Keathley at southernmuseum@frontier.com. Articles submitted must relate to Warren County, Tennessee and should be verifiable with the

sources or the name(s) from which the information was obtained included. We look forward for your materials, etc...

Monthly Meetings

Our members meet the third (3rd) Saturday of the month, January through November, beginning at 2 p.m. in the WCGA room at the Warren County Administration Building, 201 Locust Street, Rear, McMinnville. No meeting is held in December, but (we usually have a Christmas dinner together). Our room is entered from the rear of the building (see directional signs). All meetings are open to the public. We look forward to seeing you.

WCGA is also on <http://www.facebook.com/pages/Warren-County-Genealogical-Association/135126859883450> or visit us on the web at: www.tngenweb.org/wcgatn. The addition of WCGA's Old Warren County, TN Family History/Photos on Facebook was created to allow people to share their old Warren County photos and historical stories. The site is a Public Group and is free. You would need to have your own Facebook page (free) and go to the site and ask to join the group. You may copy photos from the site for your own records. Don't miss out, over 2,500 people have joined since the site was created in December 2014.

The August meeting was held at the WCGA office. Guest speaker was "retired Dr. Wallace Bigbee."

Refreshments were served and the public was and is always welcome. The meeting began at 2 p.m.

August refreshments provided by Christine Bouldin and Bettye Pack. Thank you ladys.

Do You Think You Are

Trying To Connect To Warren County?

70 people have proven it!

They received Certificates for

Warren County – McMinnville First Pioneer Families

There's still time for you to make your connection by submitting copies of an official record linking you to Warren County before 1820. Those records can be birth, marriage,

death, probate or will, church, cemetery, funeral or obituary, land records, tax records, court, military records, census, newspaper, or Bible for each generation, including the applicant.

To qualify for a certificate, suitable for framing, the applicant must directly descend from an ancestor (male or female) who was in Warren County no later than the 1820 census (this includes the boundaries of the original formation of Warren County from White county).

There is a \$10 application processing fee + \$3.50 shipping for the certificates. All applications and verifying material become the property of the Warren County Genealogical Association.

Current Tennessee residency is not necessary.
