## MESSAGE FROM THE EDITOR

The Civil War Soldiers Questionnaire Forms which have been received at this time but not yet published in the Bulletin will be published in the Spring/Summer 2014 issue. Please continue to submit Civil War Soldiers Forms to honor the soldiers who fought in both the Confederate and Union Armies. It is hoped the forms can go into a book to be published later by the WCGA; therefore, it is important that forms be filled out for as many soldiers as possible. It is not necessary to be related to a Civil War soldier to complete a questionnaire form. Forms can be obtained at the WCGA office or emailed upon request.

We are indebted to WCGA member Darryl Norris for creating a CD containing each WCGA Bulletin from the premiere issue in 1992 through 2012. The CD is searchable and is a must for researchers, genealogists and historians. The CD is available for purchase from the WCGA for \$25.00 plus \$3.00 shipping. Mr. Norris' contributions to the WCGA are invaluable.

Please submit additions and corrections, contributions of genealogical and historical materials, and ideas for future articles.
