About Our Cover

Our bulletin cover features a scene from the French countryside near the American Meuse-Argonne Cemetery in February 2023 taken by John and Chandra Elliott during their visit to the Cemetery. The fields in the photo were part of the 1918 Meuse-Argonne Offensive that ended WWI. Our back cover features the 1918 military photos of Pvt. John F. Blair (left) and Pvt. Charlie Blair (right) whose stories are captured in Chandra’s article, “Sacrifices and Survival – The World War I Story of Two Warren County Brothers”. The poem was written by Charlie’s father in honor of his son who gave his life in the Meuse-Argonne Offensive.
