 Subject: Fwd: Families in the Book "Journey into Yesterday"
 Date: December 27, 2007 3:27:15 AM CST

I have cataloged all of the names contained in the book "Journey into Yesterday" *Dresden, Tennessee Sesquicentennial 1825 - 1975*. If I wasn't sure if the person listed as "John E. Jones" was the same as "J.E. Jones" I left them as two separate entries. Women whose maiden names were identified in the book, are listed here by both their Maiden and Married (Last Names) names. In many cases people in the book are only referred to as Mr. or Mrs. and there surname. FNU in this case means First Name Unknown. I did not include the names of people or companies that sponsored each of the pages. Jim Griffin
